DAMAC Lagoons, Dubai · Presented to the owner, Mr. Hemendra · 25 August 2026

Dear Mr. Hemendra,

On behalf of a committed buyer, I am pleased to present the following formal offer for your unit at Nice, DAMAC Lagoons. The buyer has viewed the property, has funds in place for a purchase at this level, and is in a position to sign an MOU immediately upon your acceptance.

|                                |                  |
|--------------------------------|------------------|
| GROSS SALE PRICE               | AED 6,750,000    |
| AGENCY FEE (2% + VAT)          | AED 141,750      |
| CONVEYANCING (AED 9,950 + VAT) | AED 10,447.50    |
| NET TO SELLER                  | AED 6,597,802.50 |

|                      |                                                                                                 |
|----------------------|-------------------------------------------------------------------------------------------------|
| BUYER POSITION       | Viewed and decided; ready to sign MOU on acceptance                                             |
| TRANSFER TIMELINE    | Completion within 60 days of signed MOU                                                         |
| SECURITY DEPOSIT     | 10% security cheque lodged on MOU signing, per standard Form F terms                            |
| FEES BORNE BY SELLER | Agency fee and conveyancing as itemised above; other transfer costs per standard Dubai practice |

This is a clean, decided offer from a decided buyer who has viewed the property. It is presented in good faith, is non-binding until a Form F / MOU is executed by both parties, and remains open for **five (5) days** from the date above, after which it lapses unless extended in writing.

I would welcome the opportunity to discuss this with you directly - a short call is all that is needed to move to MOU.

Kind regards,

**Calum MacLeod**
