◆ NEWSREADER DISPLAY

~D1,850 / sq ft

Scarcity, in numbers.

+17.8% in a year

Full family: 7 weights, italics, optical sizes.
Sharp at cover size, calm in body. Numerals sit
level with caps - built for figures. My pick.

◆ LIBRE CASLON DISPLAY

Caslon is the British heritage face - old money,
Scottish-broker story writes itself. One weight
only, no italic: limits us on decks.

◆ BODONI MODA

Fashion-magazine contrast. Striking on a cover,
but the hairlines break up in gold on green at
phone size. Looks like a developer brochure.

◆ GLOOCK

Heavy and loud. Wins on thumbnails and slide
one, too blunt for a 13-page investor briefing.
One weight.
